## Weekend Site Visits 2017& 2018

**Welcome** to Wates' Campus Whitehaven development providing our local community with information on upcoming site activities.

**Wates** are one of the UK's leading family-owned construction businesses. In 2016 we won the Queen's Award for Enterprise for the second consecutive time, and have entered 2017 with the same social values and passion for supporting the local community. Wates Group has been named Contractor of the Year and won the highest accolade of the Judges' Supreme Award at this year's Construction News Awards.

### WORKING WITH LOCAL SCHOOLS & THE COMMUNITY

We have had a successful start to our weekend site visits which started on 30<sup>th</sup> September 2017 and the feedback we have received has encouraged Wates to offer additional dates into the New Year. These visits are intended for parents and pupils of both St Benedict's Catholic High School and also Mayfield School.
